In Nov. 1911 the Agent of the Sri Raghavendraswami matt represented to Govt that it was usual for a disciple of their matt to be nominated as Guru of the Sri Akshobhya tirtha matt and requested that a disciple of their matt may be appointed to succeed the then guru of the Sri Akshobhya tirtha matt who was stated to be seriously ill this claim of the Sri Raghavendraswami matt was repudiated by the Sri Akshobhya tirtha matt. while this matter was under correspondence a Srimukha was received from Sri Raghukanta tirtha swamigalu

The Akshobya Tirtha Swamiji has again inducted into Sanyasa Asrama a person whom he intends for his successor intends obtaining His Highness' ~~approval of the eligibility of that person~~ the nomination as required under Rule II of the Rules of 14 Dec 1892. 16 The point for consideration is the attitude which Govt should take up in the matter. Our acceptance of the event as an accomplished fact, after some enquiry as regards the qualification of the person so chosen would lead to similar evasion on the part of the Mutts. It is also noticeable that the present Srimukha appears to deal with the incident as a matter of course. At least an explanation and an apology from the Swamigalu is due. The Srimukha may be sent back and the Swamigalu asked to explain why duly applied orders were not obtained previously.

As the Swami is travelling no useful purpose will be served in sending the Srimukha to the Dist Coll for report as regards the qualifications of the present Swamy. There is no case just at present to recognise this Swamy as the senior Swamigalu is reported to have regained his health

Send copy of this communication to Dist Coll for information and necessary action, the appointment being retained in suspense till further orders.

From

V. Vaitian, Esquire, B.A.,

To

W.P. Thyagaraja Iyer, Esquire, .A.,
Secretary to the Government of Mysore,
Revenue Department,
Bangalore.

Sir,

Adverting to your letter No.1021-3 Nagarai 92-13-2 dated the 24th September 1918 forwarding a copy of a Srimukha received from the Samsthanadhipathi of the Sri Mahalakshmi Tirtha Matha at Mudli in the Chimoga taluk stating that, as he has taken seriously ill while on tour, he had to hand over Ashrama on the 23rd June 1918 to one Vedamurti Sreenivasachar and calling for a report in the matter of succession of a Guru to the said Matha, I have the honor to state that the Sub-Divisional officer, Chimoga, who was requested to institute a confidential enquiry and submit a detailed report in the matter states in his letter No.175 dated the 15th December 1918 that he camped at Mudli and made enquiries on all points. A copy of his report is herewith submitted for the information of Government.

2. It is seen from the report that originally the succession to the Mahalakshmi Tirtha Matha was confined to the disciples of the Raghavendra Swami Matha and latterly the practice was changed in favor of the followers of the Uttaradi Matha of whom the present Swami is a disciple. It appears that the real motive that led to the present action of the Swami was the fear that if during his life-time a disciple of the Uttaradi Matha is not installed the selection may revert afterwards

to the desciples of Raghavendra Swami Matha.

3. Vedamurthi Sreenivasa Char who is newly elected under the titular name of Sree Raghudanta Tirtha Swamigalu is, however, reported as ~~having~~ being talked about as a good scholar.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Shimoga District.

C.M.R.

Copy of letter No.175 dated 15th December 1915 from the Sub-Division officer, Shimoga, to the Deputy Commissioner, Shimoga District.

With reference to your memo No.2077 dated the 20th September 1915 and the subsequent reminders directing that a confidential enquiry may be held regarding the succession of a Guru to Sri Akshobhya Tirtha matt at Kudli in the Shimoga taluk and calling for a report thereon, I have the honor to state that I camped at Kudli and made enquiries in the matter.

2. The recognised swami now at the head of this matt is one Sri Raghukanta Tirtharu. He is admittedly an old man over 65 years of age and left Kudli some 3 years back. None of the residents of Kudli have been this swami since, and and are consequently not in a position to say why he gave the 'asrama' to a disciple so far back as 1915. Some of these say he was led to do this by reason of old age and consequent weakness. The real circumstances which prompted the Swamigalavaru to take such a hasty step are not ascertainable as he was then living near a place called Anu Mantralaya in the Adoni taluk. There is reason to suspect that he apprehended obstacles in the way of his selection and that many would oppose an outsider from Nizam's Territories being brought to the "Peeta".

From the statement made by Swamirayachar a resident of Kudli and who is a desciple of Raghavendra Swami Matha in Manjanud it would appear that originally the succession to the Akshobhya Tirtha Matha was confined to the desciples of Raghavendra Matt that the succession then fell to one Sri Raghavanta Tirtharu who was a follower of the Uttaradi Matha, that this swami gave the asrama while he was still strong and healthy to the present guru from Raghukanta Tirthahu known then as at Kodangal Venkatappa Char, and that this Swami has evidently employed the same tactical method of selecting a man from the Nizam's Territories and a desciple of the Uttaradi Matt and installing him during his lifetime. Kodambhatta an old resident of this place also speaks to the same effect. There are none who are acquinted with the new Swamy

and they say they have heard of

A petition from the agent of Nanjangud Matt complaining of the succession of Mr.Venkatappachar the presiding swami and forwarded with your ~~with your~~ kanarese ya No.433 dated 25th March 1912 is enclosed with this record.

The ~~time~~ tenor of the petition appears to be against the recognition of Uttaradi Matt followers to the Akshobya Tirtha Matta In the statement made by Swamiravachar, differences between the practices adopted by the desciples of Raghavendra Swami Matta and t Uttaradi Matta are touched upon. The former Akshobhya Swamigalu fo lowed the practices of Sri Raghavendra Matt as long as they were themselves the desciples of Raghavendra Swami Matt in their former asrama. The present swami naturally adopt those to which they them selves are accustomed to, as Uttaradi Mutt followers previous to thi becoming swamies. The agent of Sri Raghavendra Swami Matt appears ot to relish these in mutt, practices deviations and wants the established principle of his mutt to be followed. But according to Swamiravach himself the custom as now obtaining in the Akshobhya Tirtha matt is a blending of these two customs, namely, that of Raghavendra Swami and Uttaradi Matts. In matters of such internal religious practices it is difficult for Government to lay down any rules and the petiti enclosed herewith appears to deserve no special notice.
